

JABRA BIZ 2400 SERIES
THE WORLD'S BEST CONTACT CENTRE HEADSET

The Jabra BIZ 2400 was developed with one goal in mind: to be the world's best corded contact centre headset, delivering both best-in-class noise-cancellation and acoustic shock protection, as well as the industry's only unbreakable 360° rotating boom and Kevlar-reinforced cord. Available in a variety of wearing styles.

THE WORLD'S BEST CONTACT CENTRE HEADSET

Jabra's BIZ 2400 was designed with one goal in mind: to be the world's best corded contact centre headset. Ultra noise-cancelling microphones ensure in-the-room call clarity. Handmade neodymium speakers deliver the maximum frequency response - from narrowband to IP wideband telephony and multimedia. Kevlar-reinforced cords, gold plated contacts and an unbreakable FreeSpin™ boom ensure it stands up to the most demanding environments.

MAKE SURE YOUR CUSTOMER ONLY HEARS ONE AGENT AT A TIME

How your agents sound to your customers has an impact on how your brand is perceived - so giving your agents the tools to make them and your brand look good is smart business. Jabra's BIZ 2400 is designed to deliver best-in-class audio performance, no matter how loud your contact centre is. Ultra noise-cancelling microphones filter out ambient noise so only your agent's voice comes through. The flexible boom tip ensures ideal microphone placement. PeakStop™ technology ensures loud sounds are clipped off before they can hurt your agents' ears. The result is crystal clear conversations - and a great customer experience.

BUILT TO KEEP WORKING - NO MATTER HOW MUCH PUNISHMENT IT TAKES

Jabra's BIZ 2400 is built to keep working, no matter what your office throws at it. Only the BIZ 2400 has features such as Kevlar-reinforced cords, gold plated contacts and an unbreakable FreeSpin boom that ensure it can stand up to the most demanding environments.

COMFORT MEANS PRODUCTIVITY

A comfortable agent is a productive agent - so being able to personalise the headset you're supposed to be wearing all day is critical. This means the Jabra BIZ 2400's attention to comfort is an important productivity tool. Features such as soft ear cushions, a fully adjustable headband and a variety of wearing styles allow agents to fit the BIZ 2400 to their unique wearing style - which means it stays on their heads longer.

EASY INTEGRATION WITH EXISTING TELECOM SYSTEMS

No matter which phone system you're using, Jabra's BIZ 2400 series headsets will seamlessly integrate into your workflow. With over 20 different models available in a variety of wearing styles that feature either a Quick Disconnect (QD) or USB connector, the Jabra BIZ 2400 is a smart choice no matter what telecom system you're using.

JABRA BIZ 2400 PRODUCT BENEFITS

PeakStop™

Safe sound and superior hearing protection

PeakStop™ technology immediately removes potentially harmful loud sounds or tones before they reach your ears and keeps the sound level within the safe range to protect your hearing.

Remote Call Control

Seamless integration between your phone and headset

Answer and end calls on the Jabra audio device with seamless integration between your phone and headset. The remote call control gives you the power to multitask and be productive. With a Jabra wireless audio device you can control your call even when you are away from your desk.

Talk in Comfort

Be kind to your ears

Assure total comfort with a wide range of styles that match your individual needs and personal fit requirements. Our light, ergonomically designed frames along with soft ear cushions, adjustable headbands and microphone boom will guarantee that your headset will be comfortable all day long.

VARIANT DEPENDENT*

HiFi Sound

Enjoy flawless sound quality

Immerse yourself in music with hifi sound. Listen to flawless music reproduction across the entire audible frequency range.

HD Voice – Wideband Audio

High-quality audio for crystal clear conversations

Enjoy high-definition sound with HD Voice and get crystal clear, intelligible communication. You get lifelike, vibrant conversations where you can focus on the content and don't have to struggle to understand what the person on the other end of the line is saying.

Noise-cancelling Microphone

Reduces unwanted background noise

Noise-cancelling microphones reduce unwanted background noise and are ideal in crowded and noisy, open office environments.

Ultra Noise-cancelling Microphone

Best-in-class noise-cancelling technology

Ultra noise-cancelling microphones are designed to remove all background noise. They are the ideal choice for crowded and very noisy, open office environments.

Omni-Directional Microphone

Picks up the sound of your voice

Jabra headsets with omni-directional microphones pick up your voice to get life-like natural sounding conversations in environments with low or no background noise.
