JABRA BIZ 1900 SERIES

MAXIMUM VALUE, SOLID FUNCTIONALITY

The Jabra BIZ 1900 series is the best headset for cost-driven contact centres looking for a high-quality corded solution. The BIZ 1900 has the features you'd expect in more expensive headsets, such as a noise-cancelling microphone and sturdy materials, all in a stylish, lightweight design. Choose a cost-conscious headset from a brand you trust.

OPTIMISED FOR THE COST-CONSCIOUS CONTACT CENTRE

The Jabra BIZ 1900 was designed with the cost-conscious contact centre in mind: purely functional, flexible and affordably priced – quality without compromise from a brand you trust.

EASY INTEGRATION WITH EXISTING TELECOMS SYSTEMS

The Jabra BIZ 1900 was designed for maximum flexibility and value: choose from QD Quick Disconnect, Direct Connect or USB plug connections and duo variants or mono variants. However you work, the Jabra BIZ 1900 will fit your infrastructure and your budget.

CRYSTAL CLEAR CONVERSATIONS

Although Jabra's BIZ 1900 was designed with cost in mind, it doesn't compromise on sound quality. Its flexible boom tip ensures perfect microphone placement while its noise-cancelling microphone eliminates ambient noise. Never compromise on voice quality – no matter what your budget.

LIGHTWEIGHT, STURDY DESIGN AND PROFESSIONAL QUALITY

Professional agents need professional tools, no matter what the budget constraints are – and Jabra's BIZ 1900 is built for heavy use. Key features include professional grade durability, leatherette or foam ear cushions, a fully adjustable headband and the agent's choice of mono or duo wearing styles.

JABRA BIZ 1900 PRODUCT BENEFITS

Noise-cancelling Microphone

Reduces unwanted background noise
 Noise-cancelling microphones reduce unwanted background noise and are ideal in crowded and noisy, open office environments.

PeakStop™

Safe sound and superior hearing protection
 PeakStop technology immediately removes potentially harmful loud sounds or tones before they reach your ears and keeps the sound level within the safe range to protect your hearing.

Talk in Comfort

Be kind to your ears
 Assure total comfort with a wide range of styles that match your individual needs and personal fit requirements. Our light, ergonomically designed frames along with soft ear cushions, adjustable headbands and microphone boom will guarantee that your headset will be comfortable all day long.

VARIANT DEPENDENT*

HD Voice – Wideband Audio

High-quality audio for crystal clear conversations
 Enjoy high definition sound with HD Voice and get crystal clear, intelligible communication. You get life-like, vibrant conversations where you can focus on the content and don't have to struggle to understand what the person on the other end of the line is saying.
