TOP FEATURES

- On-demand passive and active noise canceling (ANC) block out distractions so you can focus on your call or work.
- Premium wireless hi-fi stereo headset works seamlessly across multiple applications on desktops, Bluetooth®-enabled desk phones, laptops, mobile phones and tablets.
- Boomless design features Plantronics clear talk technology, four omnidirectional microphones and enhanced noise canceling, optimizing your voice and minimizing background noise.
- Neckband vibrates to alert you of incoming calls; so there's no need to look at your mobile phone.
- Switch from stereo to mono to hear your surroundings simply by dropping an earbud, or remove both earbuds for face-to-face conversations.
- Wideband audio provides high-quality PC telephony and is compatible with smartphones enabled for HD voice.
- Dynamic mute alert senses when you start to talk while the headset is on mute and sends you a voice prompt.
- Plantronics Manager Pro, software-as-a-service that is sold separately, enables your IT team to gain insight into every Plantronics headset being used company-wide.
