Culture™ headset - SC 60 USB CTRL

 **SENNHEISER**

SC 60 USB CTRL

Because it increases productivity

SC 60 USB CTRL is a deployment-friendly, dual-sided wideband headset compatible with global providers of Unified Communications solutions such as Avaya, Cisco and IBM. With integrated call control unit and USB connector the SC 60 USB CTRL offers great functionality and convenience with the added benefit of Sennheiser stereo sound. SC 60 USB CTRL is specifically designed for the Unified Communications market, where Sennheiser HD voice clarity and maximum call-handling flexibility can make a genuine difference to productivity.

Features and Benefits:

- Compatible with global providers of Unified Communications solutions and with integrated call control and USB connector
- Sennheiser HD voice clarity – wideband sound for a natural listening experience
- Noise canceling microphone – makes speech transmission crystal-clear and suppresses ambient noise in offices
- Dual-sided wearing style – for stereo HD sound reproduction even in noisy environments
- High-Comfort – large ear pads in an ultra lightweight headset for relaxed wearing
- Solid construction – crafted with look and feel in mind
- Bendable boom arm – ensures microphone position is always optimal. Cannot be twisted out of position
- ActiveGard™ – technology protects you from acoustic shock and sudden sound surges
- Peace of mind – 2-year international warranty

Product Information

Product name	SC 60 USB CTRL
Art. No.	504549
EAN No.	40 44155 08340 8
UPC No.	6 15104 23691 2
Product description	Stereo UC HS with call control
Microphone	
Microphone	Noise-cancelling
Frequency response - communication/telecommunication	150 – 6.800 Hz (Wideband)
Speaker	
Speaker type	Neodymium Magnet Speaker
Frequency response - multimedia	60 – 16.000 Hz
Sound pressure	Max. 113 dB limited by ActiveGard™
General Data	
Wearing style	Headband, stereo, double-sided
Cable length	2.1 m/6.89 ft
Connector	USB
Color	Black with blue color highlights
Call control unit	
Features	- Answer/End a call - Volume up/down - Microphone mute - Redial last outgoing call - Reject incoming call

Experience Sennheiser

Perfection is always relative: Users have different expectations from their headsets and speakerphones depending on their needs. For professional users, that need is to communicate as effectively as possible.

With Sennheiser's range of headsets and speakerphones, the combination of Sennheiser sound leadership, quality design and build – and a focus on real life usability – give the best performance possible in offices, call centers and Unified Communications environments.

Please visit us at: www.sennheiser.com/cco

Sennheiser is one of the world's leading manufacturers of headphones, microphones, wireless transmission systems and high-quality headsets and speakerphones for both business and entertainment.

Drawing on the electro acoustics expertise of Sennheiser and the leading hearing healthcare specialist William Demant, Sennheiser Communications' wireless and wired headsets for contact centers, offices and Unified Communications professionals are the result of Sennheiser's and William Demant's joint leadership in sound quality, design, wearing comfort and hearing protection.
