## i12 Intelligent cord – Plantronics or Jabra QD to RJ9 plug

Xenexx connection cords are designed for use with corded Jabra, Plantronics or Xenexx Headsets. The connection cord is available with either Jabra or Plantronics QD (Quick Disconnect). With the 8 position slider you can match the polarity of your Headset with your phone. The i12 cord can be used with almost any phone.

When coiled the cord has a length of 80cm and can be stretched up to 3m. Made from TPE reinforced Kevlar® the cord is built for maximum strength. Xenexx cords have been tested to withstand 20.000 cycles in bend and strain tests to guarantee the highest quality. i12 Setting Table - the 8 switch positions and corresponding telephone system
